

Fynla v0.9.2 — User Testing Manual

Date: 16 March 2026 **Covers changes from:** 13 March – 16 March 2026 (v0.8.3 → v0.9.0 → v0.9.1 → v0.9.2) **Testing URL:** <https://fynla.org> **Mobile App:** Fynla iOS (TestFlight) **Status:** DEPLOYED TO PRODUCTION — 16 March 2026

This manual is for non-technical testers. Follow each section step by step. For each test, the expected outcome is described — if what you see doesn't match, note the difference.

How to Access Preview Personas

Preview personas are **not user accounts** — you do not log in as them. Instead, you switch to a persona's view to see the application through their eyes with their sample data.

- 1. Open <https://fynla.org> in an **incognito/private browser window**
- 2. On the landing page, scroll down to the persona selector
- 3. Click a persona name to **switch to their view**
- 4. You'll see a purple "Preview Mode" banner at the top of every page — this confirms you're viewing that persona's data

Available personas:

Persona	Who They Are	Key Features to Test
David & Sarah Mitchell	Married couple, late 40s, high earners	Will (mirror), 4 LPAs, investments, multiple properties
Margaret Thompson	Widow, 70	Simple will, 2 LPAs (1 registered, 1 draft), estate planning
James & Emily Carter	Young family, mid-30s	No will (banner should show), mortgage, workplace pensions
Patricia & Harold Bennett	Retired couple, 70s	Mirror will, retirement income analysis
Alex Chen	Entrepreneur, 39	Business interests, SIPP
John Morgan	Young saver, 25	Emergency fund, first-time savings

Part 1: Will Builder

Test 1.1 — View a Completed Will (David Mitchell)

- 1. Switch to **David Mitchell** (Peak Earners persona)
- 2. In the left sidebar, click **"Will"** under the Family section
- 3. **Expected:** You arrive at </estate/will-builder> showing David's completed will
- 4. **Check the following:**

- No progress tracker/step indicator at the top — just the will document
- The heading says **"Your Will"** (not "Will Preview")
- The will is displayed in legal format with serif font on a light background
- Title reads **"LAST WILL AND TESTAMENT of David Mitchell"**
- **Executors:** Sarah Mitchell (Spouse) and Barclays Wealth Management (Professional Executor)
- **Guardians:** James Mitchell (Brother) and Claire Henderson (Sister-in-law) — because the Mitchell children are under 18
- **Specific Gifts:** £10,000 to Cancer Research UK
- **Residuary Estate:** 100% to Sarah Mitchell, with substitution to children in equal shares
- **Funeral Wishes:** Cremation, celebration of life at St Nicholas Church, Sevenoaks
- **Digital Assets:** Sarah Mitchell as digital executor
- **Attestation:** David Mitchell's signature in cursive script, dated 20 March 2024
- **Witnesses:** Robert Hartley (Solicitor) and Amanda Pearson (Legal Secretary), both dated 20 March 2024, with full addresses and occupations filled in

5. Check buttons:

- **"Print / Save PDF"** button should be visible and clickable — opens a new window with the formatted will
- **"Edit Will"** button should appear but be **disabled/blocked** (you're in preview mode)

6. If this is a mirror will, you should see tabs for **"Your Will"** and **"Spouse's Will"** — click "Spouse's Will" to see Sarah's version with beneficiaries swapped

Test 1.2 — View a Simple Will (Margaret Thompson)

1. Switch to **Margaret Thompson** (Widow persona)
2. Click **"Will"** in the sidebar
3. **Expected:** Margaret's simple will displayed in legal format
4. **Check:**
 - Title: **"LAST WILL AND TESTAMENT of Margaret Thompson"**
 - Executors: Andrew Thompson (Son) and Smithson Solicitors LLP
 - **No Guardians section** (no minor children)
 - Specific Gifts: £25,000 to Cotswold Care Hospice, £5,000 to St Lawrence Church, jewellery to Catherine Williams
 - Residuary: Andrew 40%, Catherine 40%, Grandchildren Education Trust 15%, Richard 5%
 - Funeral: **Burial** alongside late husband Harold at St Lawrence Churchyard
 - Signed 15 June 2023, witnessed by Dr Helen Cross (GP) and Mary Jenkins (Retired Nurse)
 - No "Spouse's Will" tab (this is a simple will, not a mirror)

Test 1.3 — Will Builder Banner (James Carter)

1. Switch to **James Carter** (Young Family persona)
2. In the sidebar, click **"Estate Planning"**
3. **Expected:** The estate dashboard shows a **"Build Your Will"** banner at the top
4. Click the banner — you should arrive at the Will Builder wizard starting at **Step 1 (Introduction)**
5. The progress tracker should be visible at the top showing all 10 steps
6. **Check:** The banner does NOT appear for David Mitchell (who already has a will)

Test 1.4 — Will Not in Old Locations

1. While viewing any persona:

- Click the **user dropdown** (top-right corner) — there should be **no "Will" link** in the dropdown menu
 - Navigate to the "Valuable Info" page (if accessible via Income or Expenditure links) — the tabs should be: **Letter, Income, Expenditure, Risk Profile** — no "Will" tab
-

Part 2: Lasting Power of Attorney

Test 2.1 — LPA Dashboard (David Mitchell)

1. Switch to **David Mitchell**

2. In the sidebar, click **"Power of Attorney"** under the Family section

3. **Expected:** You arrive at `/estate/power-of-attorney` — a standalone page (not a tab on the estate dashboard)

4. **Check:**

- Page heading: **"Lasting Power of Attorney"**
- No "Back to Estate Planning" link at the top
- Introduction text explaining what an LPA is and why it matters
- **4 LPA summary cards** displayed in a grid:
 - David's Property & Financial Affairs — status badge "Registered"
 - David's Health & Welfare — status badge "Registered"
 - Sarah's Property & Financial Affairs — status badge "Registered"
 - Sarah's Health & Welfare — status badge "Registered"
- Each card shows: attorney names, decision type (jointly and severally), OPG reference number, green "Registered with the Office of the Public Guardian" indicator
- No "Create" buttons visible (all types are covered)

Test 2.2 — LPA Legal Document View (David Mitchell)

1. On the LPA dashboard, click **"View Details"** on David's **Property & Financial Affairs** card

2. **Expected:** A legal document in formal Office of the Public Guardian format

3. **Check the following sections:**

- **Back button** at the top: styled as a rounded button reading "Back to Lasting Powers of Attorney" (not an inline text link)
- Header: **"LASTING POWER OF ATTORNEY — Property and Financial Affairs"**
- OPG Reference: **LP-2024-0847291**
- **Section 1 — The Donor:** David Mitchell, date of birth, address in Sevenoaks
- **Section 2 — The Attorneys:** Sarah Mitchell (Spouse, with date of birth) and James Mitchell (Brother, with date of birth), acting jointly and severally
- **Section 4 — When Attorneys Can Act:** Only when the donor has lost mental capacity
- **Section 5 — Preferences and Instructions:**
 - Preferences: consulting financial adviser for decisions over £50,000, main residence not sold unless necessary
 - Instructions: gifts limited to £500/person/year, property sale requires both attorneys
- **Certificate Provider:** Robert Hartley, Family Solicitor, known for 12 years, with certification statements (a, b, c)
- **People to Notify:** Elizabeth Mitchell, 8 The Crescent, Tonbridge

- **Signatures section:** All in cursive script with dates:
 - Signed by the Donor: "David Mitchell"
 - Signed by Attorney 1: "Sarah Mitchell"
 - Signed by Attorney 2: "James Mitchell"
 - Signed by the Certificate Provider: "Robert Hartley"
 - **Registration stamp** (bordered box): Registered on 15 June 2024, reference LP-2024-0847291
4. Click **"Print / Save PDF"** — a new window should open with the formatted legal document
 5. Click **"Edit"** — should be **blocked** (preview mode)
 6. Click **"Back to Lasting Powers of Attorney"** — returns to the dashboard

Test 2.3 — LPA with Draft Status (Margaret Thompson)

1. Switch to **Margaret Thompson**
2. Click **"Power of Attorney"** in the sidebar
3. **Expected:** 2 LPA cards:
 - Property & Financial Affairs — **"Registered"** badge (green)
 - Health & Welfare — **"Draft"** badge (grey)
4. Click "View Details" on the **Health & Welfare** (draft) card
5. **Check:**
 - Legal document format still shows, but no signatures (blank signature lines)
 - No registration stamp
 - **Compliance Checks** section should appear below the document (only for drafts)
 - Preferences and instructions should be filled in
6. Click "View Details" on the **Property & Financial Affairs** (registered) card
7. **Check:**
 - Signatures filled in, registration stamp present
 - Attorney: Richard Thompson (Son), Replacement: Catherine Thompson (Daughter)
 - No compliance section (registered documents don't need it)

Test 2.4 — LPA via Estate Dashboard Card

1. Switch to **David Mitchell**
2. Click **"Estate Planning"** in the sidebar
3. On the IHT calculation page, look for the navigation cards at the top (Will, Gifting, Life Policy, Charitable Bequest, **Power of Attorney**)
4. Click the **Power of Attorney** card
5. **Expected:** Navigates to </estate/power-of-attorney> — the same standalone LPA page

Test 2.5 — LPA Create Buttons (James Carter)

1. Switch to **James Carter** (has no LPAs)
2. Click **"Power of Attorney"** in the sidebar
3. **Expected:** Empty state message, plus two rows with **"Create"** and **"Upload"** buttons:
 - Property & Financial Affairs — Create / Upload
 - Health & Welfare — Create / Upload
4. Click **"Create"** on Property & Financial Affairs — should navigate to the LPA wizard (but be blocked from saving in preview mode)

Part 3: Estate Planning Dashboard

Test 3.1 — Estate Dashboard Layout

1. Switch to **David Mitchell**
2. Click **"Estate Planning"** in the sidebar
3. **Expected:** The IHT calculation page with navigation cards at the top:
 - Inheritance Tax Summary card
 - **Will** card — shows status (Complete/Incomplete), executor name
 - **Gifting** card — shows annual exemption, IHT liability
 - **Life Policy** card — shows cover needed
 - **Charitable Bequest** card — toggle for 10%+ to charity
 - **Power of Attorney** card — shows "4 Registered"
 - Trust card (only if taxable estate > £2M)
4. **Check:** There is **no "Power of Attorney" tab** — it's a card that links to the standalone page
5. **Check:** The "Build Your Will" banner is **not visible** (David has a will)

Test 3.2 — Will Card Click

1. On the estate dashboard, click the **Will** card
2. **Expected:** Navigates to </estate/will-builder> showing David's completed will

Test 3.3 — Gifting Card Click

1. Click the **Gifting** card
2. **Expected:** Switches to the Gifting Strategy view within the estate dashboard

Part 4: Sidebar Navigation

Test 4.1 — Sidebar Links

Check each link in the Family section of the sidebar:

Sidebar Item	Expected Destination
Will	/estate/will-builder — Will Builder (shows will or wizard)
Letter to Spouse	/valuable-info?section=letter — Letter/Expression of Wishes
Trusts	/trusts — Trusts dashboard
Estate Planning	/estate — IHT calculation with navigation cards
Power of Attorney	/estate/power-of-attorney — Standalone LPA page

Test 4.2 — Active Highlighting

1. Click **"Will"** — only the Will item should be highlighted in the sidebar
2. Click **"Estate Planning"** — only Estate Planning should be highlighted (not Will or Power of Attorney)
3. Click **"Power of Attorney"** — only Power of Attorney should be highlighted

Part 5: Actions & Decision Trees (v0.9.1)

Test 5.1 — Actions Dashboard

1. Switch to **David Mitchell**
2. In the sidebar under Planning, click "**Actions**"
3. **Expected:** Actions grouped by module in a grid layout:
 - Protection actions (if any)
 - Investment actions
 - Retirement actions
 - Estate actions
 - Savings actions (newly added)
4. Each action shows a title, description, impact level, and is clickable

Test 5.2 — Decision Tree Detail

1. Click on any action (e.g., a retirement recommendation)
2. **Expected:** A detail page with two panels:
 - **Left panel — Decision Tree:** A visual flowchart with green (passed) and red (failed) nodes showing how the recommendation was reached
 - **Right panel — Decision Trace:** A vertical timeline walking through each step with your actual financial data
3. **Check:** The trace shows real data — your name, age, pension values, contribution rates — not generic placeholders
4. Click "**Back to Actions**" to return

Test 5.3 — Savings Actions Present

1. On the Actions dashboard, check that **Savings** actions appear (this was previously missing — the system was returning a 404 for savings plans)
2. If David Mitchell has savings recommendations, they should appear alongside the other modules

Part 6: Dashboard Cards & Actions (v0.9.2)

Test 6.1 — Dashboard Card Layout (David Mitchell)

1. Switch to **David Mitchell**
2. Navigate to the main **Dashboard**
3. **Expected:** The dashboard shows these cards in a 3-column grid:
 - **Net Worth** — donut chart with assets (£1,635,000) and liabilities (£170,500)
 - **Protection** — total coverage £700,000, monthly premiums, 3 policies
 - **Cash & Savings** — total savings £102,000, 4 accounts
 - **Investments** — portfolio value £172,500, 3 accounts
 - **Estate Planning** — taxable estate £728,780, Inheritance Tax liability £291,512
 - **Retirement** — projected income vs required income, capital, retirement age
 - **Allowances** — ISA and pension annual allowance progress bars
 - **Goals & Life Events** — projection chart

Test 6.2 — Recommended Actions on Cards

1. On David Mitchell's dashboard, check each card for "**Recommended Actions**" at the bottom:
 - **Protection**: "Add critical illness cover for £235,000" and "Add income protection for £5,170 per month"
 - **Investments**: "Review fees on David's Stocks & Shares ISA" and "Review fees on Joint General Investment Account"
 - **Estate Planning**: "Charitable Bequest Opportunity" and "Liquidity Risk Identified"
 - **Retirement**: should show retirement-specific actions if available
2. **Check**: Each action is clickable — tapping it should navigate to the action detail page
3. **Check**: Actions have a small coloured circle icon (raspberry for high/critical impact, violet for others)

Test 6.3 — Account Fallback When No Actions

1. Look at the **Cash & Savings** card — if no savings actions are shown, it should display a list of up to 4 savings accounts with their balances instead
2. **Check**: There is no large empty white space on any card — either actions or accounts fill the space

Test 6.4 — Card Conditional Display

1. Switch to **John Morgan** (Young Saver — has no protection policies, no estate data)
2. **Check**: The **Protection** card does NOT appear (no policies)
3. **Check**: The **Estate Planning** card does NOT appear (no estate data, under 35)
4. **Check**: Cards that DO appear still show data appropriate to John's profile

Test 6.5 — Dashboard Shows Real Data (Not Stubs)

1. Switch to **David Mitchell**, note the dashboard values
2. Switch to **James Carter**
3. **Check**: The dashboard values are **different** — not the same numbers for every persona

Test 6.6 — Retired Couple Retirement

1. Switch to **Patricia Bennett** (Retired Couple persona)
2. On the dashboard, check the **Retirement** card shows:
 - Defined Benefit pension: £18,500/year (NHS Pension)
 - State Pension: £11,500/year
 - Total income, income need, and surplus/shortfall
3. Also navigate to **Retirement** (via Net Worth > Retirement in the sidebar) for the full analysis
4. **Previously**: This showed all zeros — now it should show real pension income

Part 7: Fyn Assistant (v0.9.2)

Test 7.1 — Docked Fyn Panel (Real Users Only)

1. **Log in as a real user** (not a preview persona) — use chris@fynla.org / **Password1!**
2. After entering the verification code, you should arrive at the dashboard
3. **Expected**:

- The **Fyn Assistant** panel is docked on the **right side** of the dashboard — full height, always visible
 - The side menu on the left is **collapsed** (icon-only mode)
 - There is **no floating chat circle button** on the dashboard
 - The panel shows "Hi, I'm Fyn — Ask me anything about your finances"
 - The input box and send button are at the bottom of the panel
4. **Check:** Navigate to any other page (e.g., Net Worth) — the docked panel disappears and the floating chat button returns

Test 7.2 — Floating Chat for Preview Personas

1. Switch to any **preview persona** (e.g., David Mitchell)
2. **Expected:** The Fyn chat is NOT docked — it uses the floating circle button (bottom-right area) as before
3. Click the chat button to open the floating panel, type a message to confirm it works

Test 7.3 — Streaming Responses

1. In either docked or floating chat, type a question, e.g.: "How are my savings looking?"
2. **Expected:**
 - Response appears **word by word** as it streams (not all at once after a long wait)
 - A "**Stop generating**" button appears while the response is streaming
 - Click "Stop generating" mid-response — the response should stop immediately

Test 7.4 — Financial Context

1. Ask Fyn: "Give me an overview of my finances"
2. **Expected:** Fyn references your actual data — savings balances, investment values, pension details, property — not generic advice
3. **Check:** Fyn uses British English spelling (e.g., "optimise" not "optimize")

Test 7.5 — Compliance

1. Ask Fyn: "Should I invest in Tesla?"
2. **Expected:** Fyn should NOT recommend a specific product. It should redirect to general investment principles or suggest speaking to a financial adviser

Part 8: Mobile App (iOS)

Test 8.1 — Mobile Dashboard

1. Open the Fynla app on your iPhone
2. Log in (or use Face ID if set up)
3. **Expected:** Module summary cards on the dashboard show real data (not identical stubs)

Test 8.2 — Estate Module

1. Tap the **Estate Planning** module card
2. **Expected:** Estate summary with net worth and IHT liability based on the logged-in user's actual data

Test 8.3 — Fyn Chat

1. Tap the **Fyn** tab at the bottom
 2. Ask a question
 3. **Expected:** Streaming response (words appear progressively)
-

Part 9: General Checks

Test 9.1 — No Scores Visible

Across all pages, check that no numerical scores appear in the UI (e.g., "75/100", score badges, score metric cards). Descriptive text like "Good", "Fair", "Critical" is fine. Numerical scores should never be shown to users.

Test 9.2 — No Amber/Orange Colours

Check that no amber or orange colours appear anywhere in the application. Warnings should use **violet/purple**. Errors should use **raspberry/pink-red**. Success should use **spring/green**.

Test 9.3 — British Spelling in User-Facing Text

Check that user-facing text uses British spelling: "Optimisation" not "Optimization", "Customise" not "Customize", "Analyse" not "Analyze".

Test 9.4 — No Acronyms

Check that acronyms are spelled out: "Annual Allowance" not "AA", "Stocks & Shares" not "S&S", "Defined Benefit" not "DB". The only exception is **ISA** which may remain abbreviated.

Reporting Issues

When reporting an issue, please include:

1. **Which persona** you were viewing
2. **Which page** you were on (copy the URL if possible)
3. **What you expected** to see
4. **What you actually saw** (a screenshot is ideal)
5. **Browser** (Chrome, Safari, Firefox) and whether mobile or desktop
